

# BANNER TABLES

---

## READING THE CROSSTABULATION TABLES

The crosstabulations found in this report are presented in a "banner table" format. Categories of respondents (e.g. "35-54 years old," or "Female") are listed across the top of each page (the "banner"). The questions asked in the survey are listed down the left margin. The figures in the cells are the number who gave an answer and the percentage based on the number of respondents in the category at the head of the column (e.g., women).
