FYI. As you can see, Dan French of OHPD has resigned based upon an allegation of dishonesty. As such, pursuant to Brady, we will have to let defense attorneys in French's cases about this. I will be putting this in my "bad cop" file.

Subject: Officer Dan French

Officer Dan French resigned his position here, pending termination, effective July 12, 2007. It is our recommendation that he not be called to testify at any pending court proceedings that he have have.

It was determined that he had taken fireworks from a storage container set aside for fireworks that are pending destruction by the EOD unit.

If I can answer any questions or concerns please do not hesitate to contact me.

Thanks in advance.
